**OBJECT: NOTICE OF PAYMENT 986 DAYS PAST DUE**

Dear HMS Host LAX,

Our records show that your correct payment of the Living Wage to workers at LAX is now 986 days past due. Our estimates show that you now owe us over \$100,000.

We, your workers, are currently struggling to survive through a pandemic and for many of us this backpay represents gas, rent, food and shelter. You have known about this payment error for well over a year, and we understand that you have received multiple notices to correct it from the City of Los Angeles. Your failure to pay us what you owe us is inexcusable.

Sincerely,

HMS Host Workers at LAX
